AniMEALS Program!

Please join The April Bailey Homes Team to provide meals for PETS of those receiving Meals on Wheels in Amherst County!

All too often, recipients of Meals on Wheels share their food with their fur babies and do not eat the entire meal that's meant for them. Our fur babies bring us so much joy and love, let's remember to provide food for them too! The April Bailey Homes Team Office has partnered with the Blue Ledge Meals on Wheels and will be the collection site for your cat and dog food donations. THANK YOU IN ADVANCE for helping to feed these precious companion animals so that their owners can benefit from their entire meal that's meant for them!

April & Caleb
