

Summer 2022

Dear Friends and Neighbors,

We're all feeling the crunch of rising costs, supply chain interruptions, and shortages at the stores. Blue Ledge Meals on Wheels isn't immune from these concerns. Our meal recipients, the homebound of northern Amherst County, are on fixed incomes. Many who were once able to make a small or full contribution towards their meals are finding themselves in a pinch to be able to afford that anymore. We won't refuse or turn anyone away for lack of ability to pay for meals. That's never been the case and we're not about to start now.

Reduced contributions from our meal recipients are compounded by our own costs rising. We pay for the containers we supply to our vendors, we pay for meals from our commercial food vendors, as well as the typical costs of doing business in the modern world such as tech fees, insurances, and licensing.

All non-profits are calling for donations now more than ever. The need in our community hasn't gone away, if anything there's more need now than ever before.

Please consider making a contribution to Blue Ledge Meals on Wheels. We want to be able to weather this storm of insecurity and continue to provide meals and wellness checks to the homebound of northern Amherst County.

Serving the community, one meal at a time!
