

Blue Ledge Meals on Wheels

Serving the homebound
of northern Amherst County

BLUE LEDGE NEEDS YOU !

We are in great need of volunteer drivers.

Please visit our website and submit a volunteer application, or fill out the enclosed volunteer application and return it to us.

We have need of regular drivers for routes, either once a week or once every-other week. We also need several substitute drivers, who are called upon when a regular driver is unable to deliver for their route.

We have routes that receive meals at noon, and routes that receive meals in the evening. Each route takes well under an hour to complete, you could do this during your lunch hour, or on your way home from work.
